

Now You Can Get Out of The Dark

Bruising and swelling is unsightly and uncomfortable. Treat the problem on-the-spot with proven ingredients that speed healing and calm irritation.

- Arnica Montana is indicated for the temporary relief from bruising, swelling and pain associated with soft tissue injury.
- Clinical studies have demonstrated vitamin K's role in hastening the resolution of bruising after a cosmetic procedure or injury.
- Phytosome® plant sterols reduce vascular permeability, edema and swelling.
- Vitamin C ester, hesperidin, horse chestnut, comfrey and grape seed extract strengthen capillaries and improve micro-circulation to injured tissue.
- Liposome nanotechnology transdermal system ensures delivery of active ingredients to the skin.
- Chamomile cools, soothes and refreshes.
- Natural grapefruit oil imparts faint, fresh citrus scent.
- Silicone base has an elegant, silky feel.
- Free of parabens, artificial colors and fragrances.
- Manufactured in the U.S. in accordance with the Homeopathic Pharmacopeia of the United States (HPUS).
